Minutes of October Meeting

1. these were agreed as a true record of the meeting and accordingly signed off by the Chairperson and Secretary.

Chairperson's Update

2. The Chairperson made the meeting aware of the Over Wallop Parish Council's intention to place traffic calming measures at the junction where Old Stockbridge Road and Wallop Road join. This would deter traffic using the road into the village of Over Wallop and instead direct traffic down Old Stockbridge Road to the junction where it joins the A343 at Kentsboro. She advised that there was also the possibility of gating Salisbury Lane in Over Wallop to prevent traffic using it as a short cut.

Review of Initial Questionnaire Results.

3. There were 93 responses to the questionnaire out of a total of c.260 households contacted. The results have been collated and the information presented in PYE charts and detailed on an Excel spreadsheet. This information will be used to evidence the GNDP and included in the information of the various areas of the plan. It was agreed that a Thankyou letter note should be published together with the overview of results on the Grateley Parish Website.

This has now been actioned and is visible on grateley.net
